Who Does This Benefit?

The Eagle Band is known as the "Oldest Marching Band in Texas" and is made up of 9th-12th grade students attending Abilene High School. Students have the opportunity to participate in the Eagle Marching Band during the fall semester as well as audition for placements in the Honor Band, Symphonic Band, or Concert Band during the spring semester.

There is nothing like the joy of performing music with friends. It happens every day in our school groups. This skill continues for adults who play in community bands and orchestras or for those who perform professionally. In all cases, performing music can be an exhilarating experience.

Abilene High Eagle Band is a special family of students who are striving to develop talents or just trying to find a place to fit in during high school. Any support offered is appreciated and we look forward to working with you.

What is "Eagle One?"

Nicknamed "Eagle One," the Abilene High Bands trailer began its service in the fall of 2015. This highly visible trailer travels with the Eagle marching band to each of its performances including:

- All home football games at Shotwell Stadium,
- Most out of town games including playoff games,
- Parade performances,
- Invitational and District marching competitions.
- Out of town trips such as annual spring trip to Disneyworld.

Eagle One allows the Abilene High Bands to travel with all of their equipment necessary to run a marching band in a single vehicle.
